Directorate: Early Help
Reports to: Children's Centre Manager

VISION FOR ACHIEVING FOR CHILDREN

Achieving for Children is passionate about ensuring the best possible outcomes for children and young people and will deliver the services they need to live safe, happy, healthy and successful lives.

CONTEXT

Achieving for Children was created by the London Borough of Richmond upon Thames and the Royal Borough of Kingston upon Thames and is commissioned to deliver children's services on behalf of the two local authorities. Our vision for Achieving for Children is simple: by bringing together professional expertise from the two founding local authorities, and by putting children and young people at the heart of everything we do, we will be able to deliver improved outcomes for families and give children and young people the best start in life.

Achieving for Children is divided into seven key business areas: Children's Social Care; Education; Early Help; SEN and Disabilities; Health Partnerships; Standards and Improvement; and Finance and Resources. Each business area is led by a Director or Associate Director who reports to the Chief Executive Officer. The **Early Help** service includes the following Business Units:

- Family Support
- Children's Centre
- SPA
- Targeted Youth Support

Achieving for Children continually reviews its structure and business practices in order to provide the best possible services for children, young people and their families, in the most effective and efficient way. As a result, the key tasks in any job profile may be varied and the post-holder will be expected to take on such variations and duties consistent with the level of responsibility of the post.
